DDCI called attention to an item in Red Star on the NIC.

DDCI said that he had examined the memorandum on Cuban reaction to U-2 overflights and considered that no change in the SOP is necessary at this time. He reported that he discussed with General Carroll the existing contingency planning in the event a U-2 should be downed and that General Carroll is looking into it. The Director suggested that the DDCI check McGeorge Bundy's memory on this.

In connection with the Director's appearance on the Hill tomorrow, DDCI alerted him to a request to DIA from Congressman Chamberlain concerning shipping into North Vietnam. DD/I said that an unclassified response has been prepared.
